### Quick Monthly Schedule -

**April 26th - PSS Monthly Contest**

**April xxth - PSS Monthly Meeting (Not this month)**

### President's Message -

You guys and gals had better send in your entry forms for the PSS Two-Day Contest. Our scorekeeper, Al Zimmerman is getting tired of trying to fit people in at the last minute. Besides that your frequencies may not be available. We currently have over one hundred people signed up for this big event. You may or may not know, but Glendale Federal Savings is merging with some other banks and we have lost our meeting room. We owe them a big thanks for the many years that we have had use of their community room but now we need to find another place. This month we will NOT be having a monthly meeting. See you next month.

### PSS Two-Day Soaring Festival

Planned for the first weekend of May, the 2nd and 3rd. It looks like we will have a great turnout. Richard Burns (the Contest Director) and PSS still needs lots of help to run this contest. The Boy Scouts will be doing their usual great job of preparing the food. Be sure to support their efforts. Karlton Spindle says that the hobby manufacturers are lining up to attend. Everyone should be at the field by 6:30AM on Saturday morning to help set up the field and equipment. Every member should help out if at all possible. HELP!

### April Contest Plans by David Farless

First of all we have a permit for Friday the 17th. Right after your taxes are due. Why not take the day off and spend some time flying on a Friday. Starting before noon, we will have the winches and retrievers set up for lots of fun flying. Come on down.

Secondly, the PSS Monthly Contest for April is scheduled for the 26th. That is the fourth Sunday of the month. Happens to coincide with the first SCSC Contest of the year so you gotta make a choice. Toni Stark will be the Contest Director. He has decided on four flights to make thirty minutes. Not too unique but no flight over 12 minutes. Double penalty points for going over 12 or 30 minutes. Landings will be worth 20, 10, 5, and zero points depending on where your plane's nose ends up. Carrier type landings. We will try and start at 9:00AM so be on time.
