### Quick Monthly PSS Schedule -

June 21st - PSS Monthly Meeting

June 27th - PSS Monthly Contest

### President's Message by Richard Burns

I guess that he ran out of words this month. Maybe we will hear from him in July. I know his knee is hurting but hopefully everything is OK.

### 1<sup>st</sup> Vice-President's Report by Mike Ratner

Below are the results of several contests in April and May. Believe it or not, counting the PSS Rose Bowl Soaring Festival, that made three contests in the month of May. Thank you - Richard Burns. For the May 30th contest, the day was overcast and a little cool with some wind. We had several guests from the South Bay Soaring Society and Silent Wings Soaring Association, and it was good to have them along. They did seem to enjoy the day, except for Bob Litsey from SWSA, who some think got stuck in a high speed stall on launch. We had two other mishaps by club members but I won't go into that. We were finished by 12:00 noon as promised, and were able to get fun flying in for a couple of hours after the contest. Thanks for leaving the winches.

Next months contest is going to be a CONTEST. The CD is our own Karlton Spindle, and he has dreamed up an event with four, count them, four rounds of 10 minutes each, with a 30 point maximum runway landing. He tells me you can fly the rounds in any order that you want to.

Hope to see you at this contest on June 27th.

### PSS Meetings -

Our regular monthly meetings are held on the third Monday of each month in the Kaiser Permanente Offices at 393 East Walnut, Pasadena, CA. Starting time is 7:30PM. We hold these meetings in Conference Room 7L which is on the seventh floor at the east end of the building. The parking lot is entered off of Los Robles Avenue on the west side just north of Walnut Avenue. Push the button and tell the guard where you are going and he will let you in. You will then have to park and find your way to the front door and sign in with the guard. Ride the elevator to the seventh floor and go east.
